

MISSION

Our mission at Advantage Care Homes is to provide exceptional care services that promote independence, dignity, and well-being for individuals in our community. We are dedicated to delivering personalized care plans, fostering a safe and compassionate environment, and treating each individual with respect and dignity. Our goal is to empower individuals to live meaningful lives while receiving the support they need.

VISION

Our vision is to be the premier provider of PCA and 245d services, known for our commitment to excellence, compassion, and innovation. We envision a future where every individual has access to high-quality care that enhances their quality of life, promotes independence, and fosters a sense of belonging within the community. At Advantage Care Homes, we strive to set the standard for person-centered care and be a trusted partner in our clients' well-being.

ABOUT US

Advantage Care Homes takes great pride in our longstanding service to the Minneapolis community. Our unwavering passion lies in delivering compassionate, person-centered care that caters to the distinct needs of each individual we serve. With our team of experienced caregivers, administrators, and support staff, we are fully devoted to making a positive difference in the lives of those under our care. Our ultimate goal is to foster a nurturing and inclusive environment where individuals can flourish and lead purposeful lives. Count on Advantage Care Homes to provide outstanding care and support that is specifically tailored to your unique needs.
